**COMPLETION OF MANNED GUARDING DISPOSAL PROCESS**

Rentokil Initial plc ('Rentokil') today announces that it has signed an agreement for the sale of its US manned guarding business, Initial Security LLC, to Allied Security Holdings, LLC for a cash consideration of \$73.6 million (£40.0 million(1)), subject to certain completion adjustments. Completion, which is subject to a number of regulatory conditions, is expected in August.

On 8 February Rentokil announced that it was exploring the possibility of disposing of the group's manned guarding operations to other parties whose strategic focus and/or investment priorities will mean they are more able to realise the full potential of this business.

The sale of the US operations completes the strategic exercise to exit the manned guarding market, having sold the UK, Canadian and Belgian operations earlier this year.

The financial performance of the four combined businesses for the year to 31 December 2005 was as follows: revenue £365.2 million (2004: £331.6 million); operating profit (before amortisation of customer lists and exceptional items) £14.2 million (2004: £14.0 million).

Total consideration from the four disposals amounts to £150.9 million.

Doug Flynn, Chief Executive of Rentokil, commented:

'Completion of the manned guarding disposal process is a further important step in the development of our company. We have achieved a good result for our shareholders and will continue to focus our activities on enhancing shareholder

value.'
